Borger ISD

VIPS is a program designed to provide support within the school so that the individual needs of the students are better met.

The objective of our volunteer program is to positively impact student achievement, whether directly or indirectly.

Volunteer Code of Ethics

Attitude: Please come with a good attitude, one that will say to the staff “I’m glad you asked me to help you,” and one that says to students, “You are special; I’m glad I have an opportunity to work with you.”

Dependability: Punctuality and dependability are vital. The staff is planning activities for you and the students. Notify the school when you are unable to attend.

Communication: We want your volunteer work to be a learning activity for you, so if you have questions as to policy or procedure or feel an assignment is not compatible, please ask the appropriate person, the teacher, the principal, or the volunteer coordinator for assistance.

Confidentiality: You may have access to information, you may overhear or view situations, you may know the children who are succeeding or struggling, but please remember that any information pertaining to a child must be left at school.

Model: You will want to model the behavior of respect, responsibility, caring, trustworthiness, fairness and citizenship.

It is the policy of Borger ISD not to discriminate on the basis of age, race, religion, color, national origin, sex or handicap in its programs, services or activities as required by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973, as amended. Inquiries regarding compliance and/or grievance procedures may be directed to the school district's Title IX officer, Tony McCarthy, 200 East ninth Street, Borger, TX, (806) 273-1006 and/or Section 504/ADA coordinator, De'Lila Holder, 200 East Ninth Street, Borger, TX, (806) 273-1016.

Goals

- To assist the whole process of public education as it relates to students, schools and the community
- To enable paid staff to use their skills and training more effectively by reducing their time spent on tasks which could be performed by volunteers
- To offer individual help to students needing assistance to best achieve their educational goals
- To enrich the experience of children beyond what would be available in the school by bringing qualified people from the community into the schools to share their knowledge in special fields with students
- To promote the mission of Borger ISD: Our students will become educated, successful, and responsible citizens of our society.
