School Bus Riders Handbook

Parents and School Bus Riders

The Borger ISD Transportation Department is proud to be a member of our exceptional educational team for the school district and community. We will continue to strive for excellence each day as we place the safety of your child and our team members first. The trust and confidence bestowed to us each day is taken seriously as we transport the most precious asset of parents and the community: your child.

The safety of every child relies on their willingness to follow the bus safety rules as outlined in this handbook, but most importantly the communications and cooperation between the parents/students and the Transportation department. Please, take time to read and discuss the information in this handbook with your children.

Riding a school bus is **not a right, but a privilege** provided by the school district and should be treated as such. This handbook and the district's student code of conduct will apply to all students while riding a school bus to and from school on a regular school day or while on extra/co-curricular activities. Some privileges may be granted while riding a bus that are not permitted at school.

We understand that students work hard in the classroom, and a bus may be louder than a classroom. However, we expect our students to follow the Bus Rider's Handbook and the district code of conduct on our busses.

Please complete the Bus Rider's Contract and return to the driver. Loss of bus riding privileges could result for failure to return a completed Bus Rider's Contract to the driver. If there are specific questions about the Bus Rider's Handbook, please contact Transportation at 273-1012.

Please read the General Information section of this handbook for other safety related information.

General Safety Rules

1. Students must obey the instructions of the bus driver. At no time will a student act towards or address comments to a bus driver in a disrespectful manner. Students must cooperate with the driver.
2. Students will board and leave the bus at designated stops only.
3. Only students who are eligible to ride may be transported, and must ride their assigned bus. *Special written permission must be obtained from the campus principal or designee before a student will be allowed to ride a different route or get on or off at a different bus stop. Long term changes, over 10 days, the Transportation Department must be contacted for approval*
4. It will be the responsibility of the parents to provide transportation to or from school if a child misses the bus.

Procedures for Waiting for the Bus

1. To maintain the bus route schedule, students must be at their bus stop a minimum of 5 minutes before the scheduled pick-up time. The driver will not be able to wait.
2. To ensure safety, students need to stand on the sidewalk or back from the roadway while waiting for the bus. The district code of conduct is in effect as students wait and inappropriate behavior will be addressed.
3. When the bus approaches students need to form a single file line and prepare to load the bus.
4. Students need to stand clear of the bus until it comes to a complete stop.

Loading the Bus

1. Students do not need to engage in inappropriate physical contact like pushing another student.
2. Use of the handrail while climbing the steps is a best safety practice.
3. Students at the first stops may be assigned seats in the back of the bus. All seats will be filled accordingly with students at the last stops in the front seats. Students may be assigned a seat on the bus at any time.
4. Students need to quickly find a seat. The bus will not move until all students are seated.

Conduct on the Bus

1. Students need to remain seated while the bus is in motion.
2. Students should not change seats, unless directed to do so by the driver.
3. A student will not refuse to sit in an assigned seat or deny another student a place to sit.
4. Students should remain seated for the duration of the trip which includes remaining in their seats until the bus comes to a complete stop before loading and unloading.
5. Objects will be kept out of the aisle at all times. Feet and legs should be kept out of the aisle when students are loading or unloading.
6. Students may talk quietly. Loud noises may distract the driver and create an unsafe condition. In severe conditions, the driver may implement no talking during the route, and transportation or the campus can be called for assistance.
7. Scuffling, horseplay, fighting, and the use of obscene, vulgar, or profane language and gestures are strictly prohibited.
8. Objects will not be thrown inside or outside the bus.

Conduct on the Bus cont.

9. Student will not mark, cut, or scratch any part of the bus. The person(s) responsible for vandalism to a bus will be required to reimburse the District for repair costs.
10. The emergency door and exit controls shall be used only during supervised drills or actual emergencies or when directed to do so by the driver.

Getting Off the Bus

1. Students need to stay seated until the bus comes to a complete stop.
2. Students should wait their turn to leave the bus; pushing and crowding will only slow exiting and may cause injury.
3. Students should use the handrail and take one step at a time when leaving the bus.
4. *Students must have written permission signed by the campus principal, designee or approved by the Transportation Department to get off at a bus stop other than the assigned stop. The written permission must be given to the driver when boarding the bus at the campus.*
5. Students need to stay clear of the bus and must not chase or hang on to the bus at any time.
6. If any articles are dropped or roll under the bus, ***DO NOT GO AFTER IT.*** The students should go to the door of the bus and ask the driver for help.

Crossing the Street or Highway

1. All students living on the left side of the street shall exit the bus and move to a point 10 to 12 feet (6 to 8 large steps) in front of the bus. The student should be able to see the driver and the driver see them. Once in place and when safe, the driver will signal the student to begin to cross the street. The student should then walk to left side of the bus and ensure that all traffic has stopped before continuing to cross the street.
2. Students need to check in both directions and walk directly across the road.
3. ***NEVER CROSS THE ROAD BEHIND THE BUS.***
4. Students must cross all streets at intersections and obey all traffic laws and signs on their way home.

CAUTION!! ALWAYS BE ALERT FOR VEHICLES THAT DO NOT STOP WHEN THE BUS IS LOADING OR UNLOADING STUDENTS. IF THE DRIVER HONKS THE HORN WHILE YOU ARE CROSSING THE STREET, STOP IMMEDIATELY, AND LOOK FOR A VEHICLE THAT HAS NOT STOPPED.

Prohibited Items

Prohibited items, as outlined in the district code of conduct, will be addressed according to the code of conduct.

1. Tobacco, tobacco products or e-cigarettes
2. Alcoholic beverages
3. **Illegal and Prescription Drugs**
 - Possessing or selling seeds or pieces of marijuana in less than a usable amount.
 - Possessing, using, giving, or selling paraphernalia related to any prohibited substance.
 - Possessing or selling look-alike drugs or items attempted to be passed off as drugs or contraband.
 - Abusing the student's own prescription drug, giving a prescription drug to another student, or possessing or being under the influence of another person's prescription drug on school property or at a school-related event.
 - Having or taking prescription drugs or over-the-counter drugs at school other than as provided by district policy.
4. Weapons, laser pointers, explosive devices, harmful chemicals (including pepper spray or other types of aerosol sprays).
5. Harsh aromatic type substances which could include cologne/perfume, hair spray/products, or fingernail polish
6. Live animals or insects
7. Glass containers
8. Objects too large to be carried by the student or held on the student's lap during the bus route. Skate boards, when allowed, must also be held in the student's lap.
9. Matches or cigarette lighters
10. Food or drinks, except as medically required. Bottled water is allowed.
11. The use of MP3 players, I-Pods, radios, cd players, video games, cell phones or similar electronic devices are only allowed with the use of headphones. These items are also allowed while students are traveling on buses for co and extracurricular activity trips with the use of headphones. Should the use of these items become a distraction to the driver, especially while riding to and from school for the regular school day, the device may be taken up and a bus safety report issued and sent to the principal.

Emergency Procedures

1. Follow the bus driver's instructions.
2. If you must leave the bus, stay with the group at all times.
3. **THE FOLLOWING PROCEDURES WILL BE USED FOR EVACUATION IN AN EMERGENCY SITUATION.**
 - A. The student nearest the emergency door will open the door and hold it open.
 - B. Evacuation will start with the seat closest to the door and alternate sides (left then right).
 - C. Students leave the bus in a single file as quickly and quietly as possible.
 - D. Once outside the bus, students follow the driver's instructions completely.

All bus riders may practice emergency evacuations during the school year. When conducted, these will be scheduled to occur during the school day.

Extracurricular Travel

1. Bus rider rules and district code of conduct applies to all school-sponsored events.
2. Student management will be the responsibility of the trip sponsor, campus principal or the bus driver if needed.
3. The bus must return in the same condition of cleanliness as when it was received.

Violations of Safety Procedures

Consequences for violation of safety procedures on the school bus are listed below. *Video cameras are being used on all buses.* Bus safety infractions found during routine viewing of these videos will be treated the same as if the driver had seen the infraction.

Riding a school bus is a **privilege** provided by the school district and should be treated as such. The school bus rider's handbook and the district's student code of conduct will apply to all students while riding a school bus to and from school on a regular school day or while on co/extra-curricular activities.

First Incident: A verbal warning or bus safety report will be issued at the discretion of the driver. The bus driver may explain the bus safety rules to the student and the need to abide by these rules to insure the safety of all students. If a bus safety report is issued, the principal, or designee, will handle the bus safety report at their discretion.

Second Incident: A bus safety report is issued, the principal, or designee, will handle the bus safety report at their discretion, which may include bus discipline, campus discipline, parent call, or written documentation to the student's parent or guardian informing them of the incident. A conference with the bus driver and student may be requested by the principal.

Third, or Subsequent Incidents: A bus safety report is issued, the principal, or designee, will handle the bus safety report at their discretion, which may include bus discipline, campus discipline, parent call, or written documentation to the student's parent or guardian informing them of the incident. A conference with the bus driver and student may be requested by the principal. The student's bus riding privileges may be revoked.

Severe Incident: Destruction of property, fighting, or other major infractions will result in a bus safety report to the principal to be handled accordingly.

GENERAL INFORMATION

The Borger Independent School District will use one the following means to notify parents of school closures or delays due to inclement weather. Be sure to check these sites for information regarding school closures or delayed school starts.

We ask that you contact your child’s school and then the Transportation department, if you move during the school year or have moved in the last year to ensure the school district has the correct address and contact information on file. This allows your child uninterrupted transportation and helps keep our records accurate.

Nationwide, numerous students have been severely injured or killed when a drawstring on their clothing or backpack has gotten caught in playground equipment, fences, and school bus handrails and doors. All Borger Independent School District buses have been checked to prevent drawstrings from getting caught in the handrail or door.

For added safety, we ask that you please check your child’s coats, jackets, backpacks, or other articles that have draw strings that could get caught in the handrail or door of the bus. If these are extremely long, we ask that you remove, shorten, or replace them with some other type of fastener. Thank you for helping us make your children safer!

PLEASE COMPLETE AND RETURN THE NEXT PAGE TO THE BUS DRIVER.

BORGER INDEPENDENT SCHOOL DISTRICT
SCHOOL BUS RIDER'S CONTRACT AND INFORMATION SHEET

Dear Parent or Guardian;

Please complete and return this sheet to the bus driver as soon as possible.
