2018–19 School Year Alternate Bus Stop Request Form

This form must be submitted and approved each school year before a student can ride a school bus. These requests are approved on a case-by-case basis as space is limited. If the bus is almost full, the alternate service may be suspended to make room for the regularly eligible riders.

Submit all requests by email or fax to transportation@borgerisd.net or (806) 273–1017.
