

# At Borger ISD **We Believe...**

*The core service of the district is **classroom instruction** with **deeply aligned curriculum** that leads to academic achievement.*

## **ACADEMIC**

- Every student deserves a **high quality education** which includes a **challenging** academic program and **positive** extra-curricular experiences.
- Academic achievement is a path to **lifetime success**.
- The best instructional practices are **researched based, innovative, and adaptable**.

## **COMMUNITY**

- **Responsibility for success** is shared by all members of the community.
- All students will **be prepared** to be responsible, contributing members of society.

## **SAFE & SUPPORTIVE SCHOOL ENVIRONMENT**

- A **growth mindset** is promoted and modeled throughout the school community.
- Student **success is enhanced** by positive relationships and mutual respect.
- Student **physical and emotional safety** and welfare is central to all decisions.
- Promoting a positive **life balance** for students and staff is valued.
